

# Reminger Co., LPA

## Management

Since we first opened our firm over 65 years ago, Reminger has grown from two attorneys to a full-service firm employing several hundred attorneys, paralegals and staff across Ohio, Kentucky, and Indiana.

Building on Reminger's solid foundation, we are proud to announce the creation of our Executive Leadership Group. We believe that this new leadership structure, detailed in the following pages, will further enhance our legal capabilities, improve efficiency, and foster greater collaboration among our offices and practice groups.
