Reminger Co., LPA Relocates Columbus Office to 200 Civic Center Drive

COLUMBUS, OH - We are pleased to announce that Reminger Co., LPA, a leading full-service law firm, has moved our Columbus office to 200 Civic Center Drive, effective May 9, 2016. Reminger signed an 11-year lease in which we will occupy a total of 25,000 square feet on the 8th and 9th floors of 200 Civic Center Drive, a state-of-the-art building located on the new Scioto Mile.

Boasting 13 offices located throughout the Midwest, Reminger has witnessed a growing demand for our legal services that span litigation, employment, workers' compensation, corporate, oil & gas, and probate matters. As a result, the Columbus office has hired additional attorneys and staff in recent years. The move will accommodate our firm's growth and enable us to maintain our presence in Columbus' core central business district in a space that offers numerous amenities to both clients and staff alike.

"This move reflects an exciting development for Reminger," remarked Reminger Columbus Office Managing Partner Ronald A. Fresco. "Our new office will allow us to continue to grow and support our clients' needs, as well as provide convenience as it offers close proximity to the Ohio Supreme Court, Federal and State Courts."

Fresco mentioned that the building offers larger work spaces and interior offices, a dedicated conference suite with café, affordable onsite parking, an onsite fitness facility and other benefits.

"The 200 Civic Center Drive building is poised to be the crown jewel of the Scioto Greenways project. We are looking forward to the continued development of the residential and retail space in and around this building, and are pleased to be part of this new chapter in our city's development."

Fresco added, "Bob Myers has done a wonderful job with this riverfront property. We believe that we are the first law firm going in to this building, but we probably won't be the last."

The new address is:

Reminger Co., LPA
200 Civic Center Drive, Suite 800
Columbus OH 43215
