

TRANSPORTATION DEPARTMENT 24-HOUR EMERGENCY
ON CALL LIST

Reminger's transportation attorneys are experienced conducting "on scene" investigations and handling the serious emergencies, regardless of when they occur. Every member of our 24-hour Response Team understands the crucial nature of these assignments and follows the department's protocol, subject to any modifications requested by the client. Access to accident reconstructionists, independent investigators and other department attorneys ensure that even the most serious accidents are promptly handled in expert fashion.
