## **Reminger Announces Appointment of Three New Practice Group Co-Chairs**

CLEVELAND, OH - Reminger is proud to announce the appointment of accomplished attorneys Joseph Borchelt, Ronald A. Mingus and Jeanne M. Mullin as new practice group co-chairs.

Alongside veteran Nicholas D. Satullo, Borchelt is the co-chair of the firm's Employment Practices group, comprised of more than 20 attorneys. "I hope to diversify the practice group's geographic reach, and broaden the scope of services available to our clients," said Borchelt.

Borchelt has litigated in several different Ohio forums including: state courts of common pleas, ten of the twelve Ohio Appellate Districts, the Ohio Supreme Court, the United States District Court for the Northern and Southern Districts of Ohio, the United States Sixth Circuit Court of Appeals, the United States Supreme Court and several arbitration forums while representing investment advisors, registered representatives, broker/dealers, automobile dealerships, and employers including the National Association of Securities Dealers, Financial Industry Regulatory Authority and the American Arbitration Association. Borchelt practices out of Reminger's Cincinnati office.

Mingus serves as co-chair of the firm's Dental Liability group along with Richard Rymond. The Dental Liability group's 15 attorneys have defended dentists in approximately 2,000 malpractice lawsuits and actions brought by the Ohio State Dental Board. The group also provides risk management and business advice to dentists and dental practice groups.

Mingus has had over 80 trials and arbitrations involving dental malpractice, medical malpractice, hospital malpractice, governmental liability, and general liability. He practices out of Reminger's Cleveland office.

In collaboration with Medical Malpractice co-chair William A. Meadows, Mullin said that she looks forward to advancing the practice group and serving their physician, hospital and health care clients with "expertise, dedication, and compassion." With more than 45 attorneys located in offices throughout Ohio and Kentucky, the Medical Malpractice group is dedicated to the defense of physicians, hospitals, nurses, nursing homes and ancillary service providers in virtually every area of the healing arts.

Mullin's practice, based out of Reminger's Sandusky office, focuses mainly on the defense of medical and professional negligence cases. She has successfully defended numerous medical malpractice jury trials throughout Northwest Ohio. Mullin is also a member of the firm's management group, and serves as the leader of Reminger's Women's Initiative.

"These attorneys have demonstrated not just a thorough knowledge of the law in their respective practice areas," said Managing Partner Stephen E. Walters, "but also an inherent leadership quality that suits them for their roles as co-chairs. We are lucky to have such talented professionals on our team."
