

You're Invited to Virtually Attend on October 17 at 7:00pm

PLANNING FOR INDIVIDUALS WITH DISABILITIES AND THEIR FAMILIES: SPECIAL NEEDS TRUSTS AND ABLE ACCOUNTS

Solon's own, Allison McMeechan will have a discussion that will center on estate planning for individuals with disabilities. Families will learn about the various trusts that are available to protect assets for those who are receiving (or may receive in the future) public benefits such as Medicaid and/or SSI. Families will also learn about ABLE accounts, the differences between ABLE accounts and trusts, and how the ABLE account can serve as a tool in your toolbox to help secure your child's financial future.
