

FEATURED FIRM

October 2020: Reminger Co., L.P.A.

David Krause and Jackie Jewell, partners at Harmonie's member firm Reminger Co. L.P.A., recently completed trial in Montgomery County, Ohio, defending a neurosurgeon in a medical malpractice claim. Plaintiff underwent two level lumbar spine fusion performed by the neurosurgeon. She subsequently claimed unremitting permanent pain from a cage/spacer migrating into her spinal canal at L5-S1. Plaintiff claimed the neurosurgeon failed to timely order appropriate tests and perform subsequent surgery to remove the cage, causing it to be permanently lodged in the spinal canal, resulting in permanent severe pain and disability. After a two week trial with COVID precautions, including mask requirements and plexiglass dividers separating the witness and judge from counsel, the jury returned a unanimous defense verdict in 45 minutes, finding the neurosurgeon met the standard of care.

This was the second "COVID" trial for Mr. Krause and Ms. Jewell, as they were in the middle of another medical malpractice trial when the Ohio Governor ordered the shut down. That March 2020 trial continued with precautions, and also resulted in a unanimous defense verdict after less than an hour of deliberations.
