

Reminger Cleveland Office Update

July 18-21

The Republican National Convention will be held in Cleveland July 18 – 21. Reminger's Cleveland office is located across the street from the Quicken Loans Arena, site of the convention. As a consequence, we are in an area where security concerns are of greatest interest. In accordance with the guidelines established by the Secret Service and building security, we will have some staff available in the building during that timeframe. Our lawyers will have access to email, phones and any other form of communication. We will likely not have significant staff at the Cleveland office during the week.

We do expect there may be some disruptions to mail and express delivery services due to road closures and Secret Service protocols. As such, we recommend email or telephone as the most effective means of communication.

Please feel free to contact us in advance if you anticipate any special needs or you have any concerns surrounding this email.
