## David Ross Named *Best Lawyers*® 2017 "Lawyer of the Year" for Professional Malpractice Law – Defendants

CLEVELAND, OH - Reminger Co., LPA is proud to announce that David Ross has garnered the prestigious *Best Lawyers*® 2017 "Lawyer of the Year for Professional Malpractice Law – Defendants" recognition for the Cleveland market. "Lawyer of the Year" recognitions are awarded to individual attorneys with the highest overall peer-feedback for a specific practice area and geographic location. Only one lawyer is recognized as the "Lawyer of the Year" for each specialty and location. This is the second time that Dave has received this particular honor, having been also recognized in 2014.

Dave is a chairperson/leader of multiple litigation practice groups at Reminger. He is widely recognized for his expertise in mass tort litigation, products liability, insurance coverage disputes, and attorney's malpractice defense. He has tried numerous cases in state and federal court.

Likewise, he has successfully argued a number of significant appeals including the landmark case of *Hybud v. Sphere Drake*, wherein the Ohio Supreme Court upheld the pollution exclusion in commercial general liability insurance policies. He has represented numerous manufacturers on a statewide and national basis in asbestos, welding rod and benzene litigation.

Dave is a member of the law firm's Management Committee, with firmwide responsibilities in marketing, attorney training and financial management. He has been listed in *Best Lawyers in America* since 2008. Dave has also been recognized as a Super Lawyer by *Ohio Super Lawyers Magazine* for several years, and rated "AV® Preeminent™: Very Highly Rated in Both Legal Ability and Ethical Standards" by Martindale Hubbell Peer Review.

"Dave's professionalism and integrity are second to none," remarked Reminger Managing Partner Stephen E. Walters. "The fact that he has received this honor twice is a true testament to the legal community's respect for Dave's exceptional talent and skill."
