CLEVELAND, OH – Reminger Co., LPA is pleased to announce that we were ranked in the "Top 10 Best Midsize Law Firms to Work For" list by *Vault*, a career information website that provides rankings and reviews based on feedback from employer surveys.

More than 17,000 associates completed the *Vault* survey, which was calculated using a formula that weighs ratings in nearly a dozen areas including: satisfaction; hours; compensation; substantive work; business outlook; firm culture; career outlook; associate/partner relations; leadership transparency; formal training; and informal training, mentoring and sponsorship.

"In today's competitive workplace, law firms must put in extra effort to attract and retain the best talent," said Reminger Managing Partner Stephen E. Walters. "We feel like we have created a unique environment that fosters opportunity, creativity and camaraderie, and are pleased that *Vault's* rankings are able to showcase our strengths not just as a great law firm, but as a great employer."

Reminger has also been ranked by *Vault* in their inaugural "Top 150 Under 150" list, which highlights the best-known and most sought-after law firms with fewer than 150 attorneys. These honors come off the heels of the law firm's recognition in *The Plain Dealer* as the "#1 Top Workplace in Northeast Ohio" among mid-sized companies.
